Friday 6th June Edition

1. *Our Weekly Affirmation: 'I am full of creativity and imagination!'*

Headteachers Message

Dear Parents and Carers,

Welcome back to the second half of the summer term! We hope you all had a restful and enjoyable break with your families.

Summer Term 2 is always one of my favourite parts of the school year. It's a time filled with celebration, achievement and community spirit - from Sports Day to our much-loved Summer Fayre, there's so much to look forward to over the coming weeks.

Next week, some of our children will be taking part in important assessments: the Year 4 Multiplication Tables Check and the Year 1 Phonics Screening Check. We wish all of these pupils the very best of luck - remember, just do your best and go for it!

We're also incredibly proud to share that our Year 4 pupils will be performing at the New Vic Theatre. This is a wonderful opportunity to experience performing on a professional stage in the round - a truly champion moment! We can't wait to see and hear your creative talents come to life.

Finally, we're looking forward to welcoming relatives for our upcoming Father's Day events. These occasions are always special, and we're excited to share them with you.

Warm wishes,
Mrs Bradbury

Year 4 Multiplication Test

A big congratulations to our Year 4 children who are currently completing their multiplication tests! They have shown fantastic dedication and resilience throughout their Thursfield journey, working hard to master their times tables up to 12×12 . This week, they are putting all that learning to the test by answering 25 timed multiplication questions.

We are so proud of their efforts and determination. Well done to those who have already completed the test - and best of luck to those who will be taking it next week! Keep up the great work, Year 4!

Year 5 Homework

This week, our Year 5 children deserve a special shout-out for their amazing bridges and structures created as part of their D&T homework.

Their task was to design and build a structure or bridge that could hold a weight - and they certainly rose to the challenge! We have received some truly outstanding examples, showcasing creativity, problem-solving, and fantastic engineering skills. Well done, Year 5 - we are so proud of your hard work and innovation!
