

Athletics Progression Ladder

Skills

Knowledge

Running: demonstrate a clear understanding of pace and use it to develop their own and others sprinting technique.

Jumping: develop power, control and technique in the triple jump.

Throwing: develop power, control and technique when throwing discus and shot put.

Year
6

Running: understand that I need to prepare my body for running and know the muscle groups I will need to use.

Jumping: understand that a run up builds speed and power and enables me to jump further.

Throwing: understand that I need to prepare my body for throwing and know the muscle groups I will need to use.

Rules: understand and apply rules in events that pose an increased risk.

Running: apply fluency and co-ordination when running for speed in relay changeovers. Effectively apply speeds appropriate for the event.

Jumping: explore technique and rhythm in the triple jump.

Throwing: Develop technique and power in javelin and shot put.

Year
5

Running: understand that taking big consistent strides will help to create a rhythm that allows me to run faster. Understand that keeping a steady breath will help me when running longer distances.

Jumping: know that if I drive my knees high and fast I can build power and therefore distance in my jumps.

Throwing: know how to transfer my weight in different throws to increase the distance.

Rules: understand and apply rules in a variety of events using official equipment.

Running: develop an understanding of speed and pace in relation to distance. Develop power and speed in the sprinting technique.

Jumping: develop technique when jumping for distance.

Throwing: explore power and technique when throwing for distance in a pull and heave throw.

Year
4

Running: understand that I need to pace myself when running further or for a long period of time. Understand that a high knee drive, pumping my arms and running on the balls of my feet gives me power.

Jumping: understand that transferring weight will help me to jump further.

Throwing: understand that transferring weight will help me to throw further.

Rules: know and understand the rules to be able to manage our own events.

Running: develop the sprinting technique and apply it to relay events.

Jumping: develop technique when jumping for distance in a range of approaches and take off positions.

Throwing: explore the technique for a pull throw.

Year
3

Running: understand that leaning slightly forwards helps to increase speed. Leaning my body in the opposite direction to travel helps to slow down.

Jumping: know that if I jump and land quickly it will help me to jump further.

Throwing: understand that the speed of the movement helps to create power.

Rules: know the rules of the event and begin to apply them.

Running: develop the sprinting action.

Jumping: develop jumping, hopping and skipping actions. Explore safely jumping for distance and height.

Throwing: develop overarm throwing for distance.

Year
2

Running: know that running on the balls of my feet, taking big steps and having elbows bent will help me to run faster.

Jumping: know that swinging my arms forwards will help me to jump further.

Throwing: know that I can throw in a straight line by pointing my throwing hand at my target as I let go of the object.

Rules: know how to follow simple rules when working with others.

Running: explore running at different speeds.

Jumping: develop balance whilst jumping and landing. Explore hopping, jumping and leaping for distance.

Throwing: explore throwing for distance and accuracy.

Year
1

Running: understand that if I swing my arms, it will help me to run faster.

Jumping: know that landing on the balls of my feet helps me to land with control.

Understand that if I bend my knees, it will help me to jump further.

Throwing: know that stepping forward with my opposite foot to hand will help me to throw further.

Rules: know that rules help us to play fairly.

Running: explore running and stopping safely.

Jumping: explore jumping and hopping safely.

Throwing: explore throwing to a target.

EYFS

Running: know that I use big steps to run and small steps to stop. Know that moving into space away from others helps to keep me safe.

Jumping: know that bending my knees will help me to land safely.

Throwing: understand that bigger targets are easier to hit.

Rules: know that rules help us to stay safe.

Dance Progression Ladder

Skills

Knowledge

Actions: show controlled movements which express emotion and feeling.
Dynamics: explore, improvise and combine dynamics to express ideas fluently and effectively on my own, with a partner or in a small group.
Space and relationships: use a variety of compositional principles when creating my own dances.
Performance: demonstrate a clear understanding of timing in relation to the music and other dancers throughout my performance.

Year
6

Actions: choreograph dances by using, adapting and developing actions and steps from different dance styles.
Dynamics: confidently use dynamics to express different dance styles.
Space: confidently use direction and patterning to express different dance styles.
Relationships: confidently use formations, canon and unison to express a dance idea.
Performance: perform dances expressively, using a range of performance skills, showing accuracy and fluency.

Year
5

Actions: respond imaginatively to a range of stimuli related to character and narrative.
Dynamics: change dynamics confidently within a performance to express changes in character.
Space: confidently use changes in level, direction and pathway.
Relationships: use action and reaction to represent an idea.
Performance: perform complex dances that communicate narrative and character well, performing clearly and fluently.

Year
4

Actions: create actions in response to a stimulus individually and in groups.
Dynamics: use dynamics effectively to express an idea.
Space: use direction to transition between formations.
Relationships: develop an understanding of formations.
Performance: perform short, self-choreographed phrases showing an awareness of timing.

Year
3

Actions: accurately remember, repeat and link actions to express an idea.
Dynamics: develop an understanding of dynamics.
Space: develop the use of pathways and travelling actions to include levels.
Relationships: explore working with a partner using unison, matching and mirroring.
Performance: develop the use of facial expressions in my performance.

Year
2

Actions: copy, remember and repeat actions to represent a theme. Create my own actions in relation to a theme.
Dynamics: explore varying speeds to represent an idea.
Space: explore pathways within my performance.
Relationships: begin to explore actions and pathways with a partner.
Performance: perform on my own and with others to an audience.

Year
1

Actions: explore how my body moves. Copy basic body actions and rhythms.
Dynamics: explore actions in response to music and an idea.
Space: begin to explore pathways and the space around me and in relation to others.
Performance: perform short phrases of movement in front of others.

EYFS

Actions: understand that actions can be improved with consideration to extension, shape and recognition of intent.
Dynamics: understand that selecting a variety of dynamics in my performance can help to take the audience on a journey through my dance idea.
Space and relationships: know that combining space and relationships with a prop can help me to express my dance idea.
Performance: understand how a leader can ensure our dance group performs together.
Strategy: know that if I keep in character throughout, it will help me to express an atmosphere or mood that can be interpreted by the audience.

Actions: understand that different dance styles utilise selected actions to develop sequences in a specific style.
Dynamics: understand that different dance styles utilise selected dynamics to express mood.
Space: understand that space relates to where my body moves both on the floor and in the air.
Relationships: understand that different dance styles utilise selected relationships to express mood.
Performance: understand what makes a performance effective and know how to apply these principles to my own and others' work.
Strategy: know that if I use dance principles it will help me to express an atmosphere or mood.

Actions: understand that some actions are better suited to a certain character, mood or idea than others.
Dynamics: understand that some dynamics are better suited to a certain character, mood or idea than others.
Space: understand that space can be used to express a certain character, mood or idea.
Relationships: understand that some relationships are better suited to a certain character, mood or idea than others.
Performance: know that being aware of other performers in my group will help us to move in time.
Strategy: know that I can select from a range of dance techniques to translate my idea.

Actions: understand that sharing ideas with others enables my group to work collaboratively and try ideas before deciding on the best actions for our dance.
Dynamics: understand that all actions can be performed differently to help to show effect.
Space: understand that I can use space to help my dance to flow.
Relationships: understand that 'formation' means the same in dance as in other activities such as football, rugby and gymnastics.
Performance: understand that I can use timing techniques such as canon and unison to create effect.
Strategy: know that if I show sensitivity to the music, my performance will look more complete.

Actions: know that sequencing actions in a particular order will help me to tell the story of my dance.
Dynamics: understand that I can change the way I perform actions to show an idea.
Space: know that I can use different directions, pathways and levels in my dance.
Relationships: know that using counts of 8 will help me to stay in time with my partner and the music.
Performance: know that using facial expressions helps to show the mood of my dance.
Strategy: know that if I practice my dance, my performance will improve.

Actions: understand that actions can be sequenced to create a dance.
Dynamics: understand that I can create fast and slow actions to show an idea.
Space: understand that there are different directions and pathways within space.
Relationships: understand that when dancing with a partner, it is important to be aware of each other and keep in time.
Performance: know that standing still at the start and at the end of the dance lets the audience know when I have started and when I have finished.
Strategy: know that if I use exaggerated actions, it helps the audience to see them clearly.

Actions: understand that I can move my body in different ways to create interesting actions.
Dynamics: understand that I can change my action to show an idea.
Space: know that if I move into space, it will help to keep me and others safe.
Performance: know that when watching others I sit quietly and clap at the end.
Strategy: know that if I use lots of space, it helps to make my dance look interesting.

Skills

Knowledge

Running: change direction with a fluent action. Transition smoothly between varying speeds.
Balancing: show fluency and control when travelling, landing, stopping and changing direction.
Jumping and hopping: demonstrate good technique when jumping and hopping for distance and height. Fluently link jumps together.
Skipping: consistently show a range of skills when skipping in a rope.

Year
6

Running: know that running develops stamina and speed and both can be improved by training over time. Understand that agility requires speed, strength, good balance and co-ordination.
Balancing: know that balance underpins many skills in PE and everyday life and this feels different in different situations.
Jumping and hopping: understand when to jump for height or jump for distance in different activities and what to do to achieve this.
Skipping: understand that skipping helps to develop co-ordination, stamina and balance.

Running: demonstrate improved body posture and balance when changing direction. Accelerate and decelerate appropriately for the situation.
Balancing: consistently demonstrate good balance when performing other fundamental skills.
Jumping and hopping: demonstrate good technique and co-ordination when linking jumps.
Skipping: show a range of skills when skipping in a rope.

Year
5

Running: understand that to change direction, I push off my outside foot and turn my hips.
Balancing: understand that balance is a skill used in many different activities and everyday life.
Jumping and hopping: understand that there are different techniques for different situations.
Skipping: understand that people will have varying levels of skipping ability and that I can get better with practice.

All Y5 and Y6 activities

Running: change direction quickly under pressure. Demonstrate when and how to accelerate and decelerate.
Balancing: demonstrate good balance and control when performing other fundamental skills.
Jumping and hopping: link hopping and jumping actions with other fundamental skills.
Skipping: consistently skip in a rope.

Year
4

Running: know that keeping my elbows bent when changing direction will help me to stay balanced.
Balancing: understand that I need to squeeze different muscles to help me to stay balanced in different activities.
Jumping and hopping: know that swinging my non-hopping foot helps to create momentum.
Skipping: understand that keeping my chest up helps me to stay balanced.

Running: change direction. Show an increase and decrease in speed.
Balancing: demonstrate balance when performing other fundamental skills.
Jumping and hopping: link jumping and hopping actions.
Skipping: jump and turn a skipping rope.

Year
3

Running: understand that leaning slightly forwards helps to increase speed. Leaning my body in the opposite direction to travel helps to slow down. Understand how agility helps us with everyday tasks.
Balancing: understand how balance helps us with everyday tasks.
Jumping and hopping: know that if I jump and land quickly, it will help me to jump further.
Skipping: understand that I should turn the rope from my wrists with wide hands to create a gap to step through.

Running: demonstrate balance when changing direction. Clearly show different speeds when running.
Balancing: demonstrate balance when performing movements.
Jumping: demonstrate jumping for distance, height and in different directions.
Hopping: demonstrate hopping for distance, height and in different directions.
Skipping: explore single and double bounce when jumping in a rope.

Year
2

Running: know that putting weight into the front of my feet helps me to stop in a balanced position. Know that running on the balls of my feet, taking big steps and having elbows bent will help me to run faster.
Balancing: understand that squeezing my muscles helps me to balance.
Jumping: know that swinging my arms forwards will help me to jump further.
Hopping: know that if I look straight ahead it will stop me falling over when I land.
Skipping: know that I should swing opposite arm to leg to help me balance when skipping without a rope.

Running: explore changing direction and dodging. Discover how the body moves at different speeds.
Balancing: move with some control and balance. Explore stability and landing safely.
Jumping: demonstrate control in take off and landing when jumping.
Hopping: begin to explore hopping in different directions.
Skipping: show co-ordination when turning a rope. Use rhythm to jump continuously in a French rope.

Year
1

Running: understand that bending my knees will help me to change direction. Understand that if I swing my arms, it will help me to run faster.
Balancing: know that looking ahead will help me to balance. Know that landing on my feet helps me to balance.
Jumping: know that landing on the balls of my feet helps me to land with control.
Hopping: know that I should hop with a soft bent knee.
Skipping: know that I should use the opposite arm to leg when I skip. Know that jumping on the balls of my feet helps me to keep a consistent rhythm.

Running: explore running and stopping. Explore changing direction safely.
Balancing: explore balancing whilst stationary and on the move.
Jumping: begin to explore take off and landing safely.
Hopping: explore hopping on both feet.
Skipping: explore skipping as a travelling action.

EYFS

Running: know that I use big steps to run and small steps to stop. Know that moving into space away from others helps to keep me safe.
Balancing: know that I can hold my arms out to help me to balance.
Jumping: know that bending my knees will help me to land safely.
Hopping: understand that I use one foot to hop.
Skipping: know that if I hop then step that will help me to skip.

Gymnastics Progression Ladder

Skills

Knowledge

Shapes: combine and perform gymnastic shapes more fluently and effectively.
Inverted movements: develop control in progressions of a cartwheel bridge and shoulder stand
Balances: explore counter balance and counter tension.
Rolls: develop fluency and consistency in the straddle, forward and backward roll.
Jumps: combine and perform a range of gymnastic jumps more fluently and effectively.

Year
6

Shapes: know which shapes to use for each skill.
Inverted movements: understand that spreading my weight across a base of support will help me to balance.
Balances: know where and when to apply force to maintain control and balance.
Rolls: understand that I can use momentum to help me to roll and where that momentum comes from.
Jumps: understand that taking off from two feet will give me more height and therefore more time in the air.
Strategy: know that if I use changes in formation it will help to make my sequence look interesting.

Shapes: perform shapes consistently and fluently linked with other gymnastic actions.
Inverted movements: explore progressions of a cartwheel.
Balances: explore symmetrical and asymmetrical balances.
Rolls: develop control in the straight, barrel, forward, straddle and backward roll.
Jumps: select a range of jumps to include in sequence work.

Year
5

Shapes: understand that shapes underpin all other skills.
Inverted movements: understand that sometimes I need to move slowly to gain control and other times I need to move quickly to build momentum.
Balances: understand how to use contrasting balances to make my sequences look interesting.
Rolls: understand that I need to work within my own capabilities and this may be different to others.
Jumps: understand that I can use jumps to link actions and changing the shape of these will make my sequence look interesting.
Strategy: know that if I use different pathways, it will help to make my sequence look interesting.

Shapes: develop the range of shapes I use in my sequences.
Inverted movements: develop strength in bridge and shoulder stand.
Balances: develop control and fluency in individual and partner balances.
Rolls: develop the straight, barrel, forward and straddle roll and perform them with increased control.
Jumps: develop control in performing and landing rotation jumps.

Year
4

Shapes: understand how shapes can be used to improve my sequence.
Inverted movements: know that inverted movements are actions in which my hips go above my head.
Balances: know how to keep myself and others safe when performing partner balances.
Rolls: understand that I can keep the shape of my roll using body tension.
Jumps: know that I can control my landing by landing toes first, looking forwards and bending my knees.
Strategy: know that if I use different directions it will help to make my sequence look interesting.

Shapes: explore matching and contrasting shapes.
Balances: explore point and patch balances and transition smoothly into and out of them.
Rolls: develop the straight, barrel, and forward roll.
Jumps: develop stepping into shape jumps with control.

Year
3

Shapes: understand how to use body tension to make my shapes look better.
Balances: understand that I can make my balances look interesting by using different levels.
Rolls: understand the safety considerations when performing more difficult rolls.
Jumps: understand that I can change the take off and shape of my jumps to make them look interesting.
Strategy: know that if I use different levels it will help to make my sequence look interesting.

Shapes: explore using shapes in different gymnastic balances.
Balances: remember, repeat and link combinations of gymnastic balances.
Rolls: explore barrel, straight and forward roll and put into sequence work.
Jumps: explore shape jumps and take off combinations.

Year
2

Shapes: know that some shapes link well together.
Balances: understand that squeezing my muscles helps me to balance.
Rolls: understand that there are different teaching points for different rolls.
Jumps: understand that looking forward will help me to land with control.
Strategy: know that if I use shapes that link well together, it will help my sequence to flow.

Shapes: explore basic shapes straight, tuck, straddle, pike.
Balances: perform balances making my body tense, stretched and curled.
Rolls: explore barrel, straight and forward roll progressions.
Jumps: explore shape jumps, including jumping off low apparatus.

Year
1

Shapes: understand that I can improve my shapes by extending parts of my body.
Balances: know that balances should be held for 5 seconds.
Rolls: know that I can use different shapes to roll.
Jumps: know that landing on the balls of my feet helps me to land with control.
Strategy: know that if I use a starting and finishing position, people will know when my sequence has begun and when it has ended.

Shapes: show contrast with my body including wide/narrow, straight/curved.
Balances: explore shapes in stillness using different parts of my body.
Rolls: explore rocking and rolling.
Jumps: explore jumping safely.

EYFS

Shapes: understand that I can make different shapes with my body.
Balances: know that I should be still when holding a balance.
Rolls: know that I can change my body shape to help me to roll.
Jumps: know that bending my knees will help me to land safely.
Strategy: know that if I hold a shape and count to five people will see it clearly.

Invasion Games Progression Ladder

(invasion, handball, netball, basketball, football, tag rugby and hockey)

Skills

Knowledge

Sending & receiving: s&r consistently using a range of techniques with increasing control under pressure.

Dribbling: dribble consistently using a range of techniques with increasing control under pressure.

Space: move to the correct space when transitioning from attack to defence or defence to attack and create and use space for self and others.

Attacking: confidently change direction to lose an opponent

Defending: use a variety of defending skills (tracking, interception) in game situations.

Sending & receiving: develop control when s&r under pressure.

Dribbling: dribble with some control under pressure.

Space: explore moving to create space for themselves and others in their team.

Attacking: use a variety of techniques to lose an opponent e.g. change of direction or speed.

Defending: develop tracking and marking with increased success. Explore intercepting a ball using one and two hands.

Sending & receiving: develop passing techniques appropriate to the game with increasing success. Catch and receive a ball with feet/object with increasing success.

Dribbling: link dribbling the ball with other actions and change direction whilst dribbling with some control.

Space: develop moving into space to help my team.

Attacking: change direction to lose an opponent with some success.

Defending: develop defending one on one and begin to intercept.

Sending & receiving: explore s&r abiding by the rules of the game.

Dribbling: explore dribbling the ball abiding by the rules of the game under some pressure.

Space: develop using space as a team.

Attacking: develop movement skills to lose a defender. Explore shooting actions in a range of invasion games.

Defending: develop tracking opponents to limit their scoring opportunities.

Sending & receiving: developing s&r with increased control.

Dribbling: explore dribbling with hands and feet with increasing control on the move.

Space: explore moving into space away from others.

Attacking: developing moving into space away from defenders.

Defending: explore staying close to other players to try and stop them getting the ball.

Sending & receiving: explore s&r with hands and feet to a partner.

Dribbling: explore dribbling with hands and feet.

Space: recognise good space when playing games.

Attacking: explore changing direction to move away from a partner.

Defending: explore tracking and moving to stay with a partner.

Sending & receiving: explore s&r with hands and feet using a variety of equipment.

Dribbling: explore dropping and catching with two hands and moving a ball with their feet.

Space: recognise their own space.

Attacking & defending: explore changing direction and tagging games.

Year
6

Sending & receiving: understand and make quick decisions about when, how and who to pass to.

Dribbling: choose the appropriate skill for the situation under pressure e.g. a V dribble in basketball to keep the ball away from a defender.

Space: understand that transitioning quickly between attack and defence will help my team to maintain or gain possession.

Tactics: know how to create and apply a tactic for a specific situation or outcome.

Rules: understand, apply and use rules consistently in a variety of invasion games whilst playing and officiating.

Year
5

Sending & receiving: know that not having a defender between myself and a ball carrier enables me to s&r with better control.

Dribbling: know that dribbling in different directions will help to lose a defender.

Space: know that by moving to space even if not receiving the ball will create space for a teammate.

Tactics: understand the need for tactics and identify when to use them in different situations.

Rules: understand and apply rules in a variety of invasion games whilst playing and officiating.

Year
4

Sending & receiving: know that cushioning a ball will help me to control it when receiving it.

Dribbling: know that protecting the ball as I dribble will help me to maintain possession.

Space: know that moving into space will help my team keep possession and score goals.

Attacking: recognise when to pass and when to shoot.

Defending: know when to mark and when to attempt to win the ball.

Tactics: know that applying attacking tactics will help to maintain possession and score goals. Know that applying defending tactics will help to deny space, gain possession and stop goals.

Rules: know and understand the rules to be able to manage our own game.

Year
3

Sending & receiving: know that pointing my hand/foot/stick to my target on release will help me to send a ball accurately.

Dribbling: know that dribbling is an attacking skill which helps us to move towards a goal or away from defenders.

Space: know that by spreading out as a team, we move the defenders away from each other.

Attacking and defending: know my role as an attacker and defender.

Tactics: know that using simple tactics will help my team to achieve an outcome e.g. we will each mark a player to help us to gain possession.

Rules: know the rules of the game and begin to apply them.

Year
2

Sending & receiving: know to control the ball before sending it.

Dribbling: know that keeping my head up will help me to know where defenders are.

Space: know that moving into space away from defenders helps me to pass and receive a ball.

Attacking: know that when my team is in possession of the ball, I am an attacker and we can score.

Defending: know that when my team is not in possession I am a defender and we need to try to get the ball. Know that standing between the ball and the attacker will help me to stop them from getting the ball.

Tactics: understand and apply simple tactics for attack and defence.

Rules: know how to score points and follow simple rules.

Year
1

Sending & receiving: know to look at my partner before sending the ball.

Dribbling: know that moving with a ball is called dribbling.

Space: understand that being in a good space helps us to pass the ball.

Attacking: know that being able to move away from a partner helps my team to pass me the ball.

Defending: know that staying with a partner makes it more difficult for them to receive the ball.

Tactics: know that tactics can help us when playing games.

Rules: know that rules help us to play fairly.

EYFS

Sending & receiving: know to look at the target when sending a ball and watch the ball to receive it.

Dribbling: know that keeping the ball close will help with control.

Space: know that being in a space gives me room to play.

Attacking & defending: know that there are different roles in games.

Tactics: make simple decisions in response to a task.

Rules: know that rules help us to stay safe.

Skills

OAA Progression Ladder

Knowledge

Problem solving: pool ideas within a group, selecting and applying the best method to solve a problem.
Navigational skills: orientate a map efficiently to navigate around a course with multiple points.
Communication: inclusively communicate with others, share job roles and lead when necessary.

Year
6

Problem solving: understand that being able to solve problems is an important life skill.
Navigational skills: understand why having good navigational skills are important.
Communication: know that good communication skills are key to solving problems and working effectively as a team.
Reflection: with increasing accuracy, reflect on when and how I am successful at solving challenges and alter my methods in order to improve.
Rules: understand the rules and think creatively to solve the challenge whilst abiding by the rules.

Problem solving: explore tactical planning within a team to overcome increasingly challenging tasks.
Navigational skills: develop navigational skills and map reading in increasingly challenging tasks.
Communication: explore a variety of communication methods with increasing success.

Year
5

Problem solving: recognise that there may be more than one way to solve a challenge and that trial and error may help to guide me to the best solution.
Navigational skills: use a key to identify objects and locations.
Communication: know to be descriptive but concise when giving instructions e.g. 'two steps to the left'.
Reflection: reflect on when I am successful at solving challenges and alter my methods in order to improve.
Rules: know that abiding by rules will enable my classmates to complete the course e.g. not moving controls.

Problem solving: plan independently and in small groups, implementing a strategy with increased success.
Navigational skills: identify key symbols on a map and follow a route.
Communication: confidently communicate ideas and listen to others.

Year
4

Problem solving: know that discussing the advantages and disadvantages of ideas will help to guide us to a conclusion about which idea to use.
Navigational skills: understand how to use a key and use the cardinal points on a map to orientate it.
Communication: understand that there are different types of communication and that I can communicate without talking.
Reflection: with increased accuracy, critically reflect on when and why I am successful at solving challenges.
Rules: understand the importance of working with integrity.

Problem solving: discuss how to follow trails and solve problems. Work with others to select appropriate equipment for the task.
Navigational skills: identify where I am on a simple map. Use and begin to create simple maps and diagrams and follow a trail.
Communication: follow and give instructions and accept other peoples' ideas.

Year
3

Problem solving: know that trying ideas before deciding on a solution will help us to come up with the best idea.
Navigational skills: know to hold the map so that the items on the map match up to the items that have been placed out.
Communication: know to take turns when giving ideas and not to interrupt each other.
Reflection: reflect on when and why I am successful at solving challenges.
Rules: know that using the rules honestly will help to keep myself and others safe.

Problem solving: begin to plan and apply strategies to overcome a challenge.
Navigational skills: follow and create a simple diagram/map.
Communication: work co-operatively with a partner and a small group.

Year
2

Problem solving: know that listening to each other's ideas might give us an idea we hadn't thought of.
Navigational skills: understand that the map tells us what to do.
Communication: know to use encouraging words when speaking to a partner or group to help them to trust me.
Reflection: verbalise when I am successful and areas that I could improve.
Rules: know how to follow and apply simple rules.

Team Building

Problem solving: suggest ideas in response to a task.
Navigational skills: follow a path and lead others.
Communication: communicate simple instructions and listen to others.

Year
1

Problem solving: know that working collaboratively with others will help to solve challenges.
Navigational skills: know that deciding which way to go before starting will help me.
Communication: know that using short instructions will help my partner e.g. start/stop.
Reflection: identify when I am successful and make basic observations about how to improve.
Rules: know that rules help us to play fairly.

Team Building

Problem solving: explore activities where I have to make my own decisions.
Navigational skills: explore moving in space and following a path.
Communication: develop confidence in expressing myself.

EYFS

Problem solving: make simple decisions in response to a task.
Navigational skills: know that moving into space away from others will help me to stay safe. Know to leave a gap when following a path will help me to stay safe.
Communication: know that talking with a partner will help me to solve challenges e.g. 'let's go to the green hoop next'.
Reflection: begin to identify when I am successful.
Rules: know that rules help us to stay safe.

Skills

Striking and Fielding Progression Ladder

(striking and fielding, cricket and rounders)

Knowledge

Striking: strike a bowled ball with increasing accuracy and consistency.
Fielding: use a wider range of fielding skills with increasing control under pressure.
Throwing: consistently demonstrate good technique in throwing skills under pressure.
Catching: consistently demonstrate good technique in catching skills under pressure.

Year
6

Striking: understand that the momentum and power for striking comes from legs as well as arms.
Fielding: know which fielding action to apply for the situation.
Throwing and catching: consistently make good decisions on who to throw to and when to throw in order to get batters out. Know that accuracy, speed and consistency of throwing and catching will help to limit a batter's score.
Tactics: understand and apply some tactics in the game as a batter, bowler and fielder.
Rules: understand, apply and use rules consistently in a variety of striking and fielding games whilst playing and officiating.

Striking: explore defensive and driving hitting techniques and directional batting.
Fielding: develop over and underarm bowling technique. Develop long and short barrier and two handed pick up.
Throwing: demonstrate good technique when using a variety of throws under pressure.
Catching: explore catching skills (close/deep and wicket keeping) and apply these with some consistency in game situations.

Year
5

Striking: understand that stance is important to allow me to be balanced as I hit.
Fielding: know that backing up a fielder as a ball is being thrown will help to increase the chances of fielding successfully.
Throwing: understand where to throw the ball in relation to where a batter is.
Catching: understand when to use a close catch technique or deep catch technique.
Tactics: understand the need for tactics and identify when to use them in different situations.
Rules: understand and apply rules in a variety of striking and fielding games whilst playing and officiating.

Striking: develop batting technique with a range of equipment.
Fielding: develop bowling with some consistency, abiding by the rules of the game.
Throwing: use overarm and underarm throwing with increased consistency in game situations.
Catching: begin to catch with one and two hands with some consistency in game situations.

Year
4

Striking: know that using the centre of the bat will provide the most control and accuracy.
Fielding: know that it is easier to field a ball that is coming towards me rather than away so set up accordingly.
Throwing: know that keeping my elbow high and stepping with my opposite foot will help to increase the power.
Catching: know to track the ball as it is thrown to help to improve the consistency of catching.
Tactics: know that applying attacking tactics will help to score points and avoid getting out. Know that applying defending tactics will help to deny space, get opponents out and limit points.
Rules: know and understand the rules to be able to manage our own game.

Striking: begin to strike a bowled ball after a bounce with different equipment.
Fielding: explore bowling to a target and fielding skills to include a two-handed pick up.
Throwing: use overarm and underarm throwing in game situations.
Catching: catch with some consistency in game situations.

Year
3

Striking: know that striking to space away from fielders will help me to score.
Fielding: know to look at where a batter is before deciding what to do. Know to communicate with teammates before throwing them a ball.
Throwing: understand that being balanced before throwing will help to improve the accuracy of the throw.
Catching: know to move my feet to the ball.
Tactics: know that using simple tactics will help my team to achieve an outcome e.g. we will spread out to deny space.
Rules: know the rules of the game and begin to apply them.

Striking: develop striking a ball with their hand and equipment with some consistency.
Fielding: develop tracking a ball and decision making with the ball.
Throwing: develop co-ordination and technique when throwing over and underarm.
Catching: catch with two hands with some co-ordination and technique.

Year
2

Striking: understand the role of a batter. Know that striking quickly will increase the power.
Fielding: understand that there are different roles within a fielding team. Know to move towards the ball to collect it to limit a batter's points.
Throwing: know that stepping with opposite foot to throwing arm will help me to balance.
Catching: know to use wide fingers and pull the ball in to my chest to help me to securely catch.
Tactics: understand and apply simple tactics for attack (batting) and defence (fielding).
Rules: know how to score points and follow simple rules.

Striking: explore striking a ball with their hand and equipment.
Fielding: develop tracking and retrieving a ball.
Throwing: explore technique when throwing over and underarm.
Catching: develop co-ordination and technique when catching.

Year
1

Striking: understand that the harder I strike, the further the ball will travel.
Fielding: know that throwing the ball back is quicker than running with it.
Throwing: know which type of throw to use to throw over longer distances.
Catching: know to watch the ball as it comes towards me.
Tactics: know that tactics can help us when playing games.
Rules: know that rules help us to play fairly.

Striking: explore sending a ball to a partner.
Fielding: explore tracking and stopping a rolling ball.
Throwing and catching: explore rolling, throwing and catching using a variety of equipment.

EYFS

Striking: know to point my hand at my target when striking a ball.
Fielding: know to scoop a ball with two hands.
Throwing and catching: know to point my hand at my target when throwing. Know to have hands out ready to catch.
Tactics: make simple decisions in response to a task.
Rules: know that rules help us to stay safe.

Swimming Progression Ladder

Skills

Knowledge

Strokes: identify my personal best in a range of strokes. Successfully select and apply my fastest stroke over a distance of 25m.

Breathing: demonstrate a smooth and consistent breathing technique in a range of strokes over a distance of 25m.

Water safety: perform a variety of survival techniques.

Year
6

Strokes: understand that making my body streamlined helps me to glide through the water.

Breathing: understand that the more I practice my breathing in the water, the more my heart and lungs can work effectively and aid my muscles with the ability to utilise oxygen when swimming.

Water safety: know which survival technique to use for the situation.

Rules: understand that different environments have different rules to keep us safe around water.

Strokes: demonstrate increased technique in a range of strokes, swimming over a distance of 25m.

Breathing: explore underwater breaststroke breathing technique over a distance of 25m.

Water safety: explore safety techniques to include the H.E.L.P and huddle positions.

Year
5

Strokes: understand that pulling harder through the water will enable me to travel the distance in fewer strokes and travel faster.

Breathing: know that breathing every three strokes helps to balance my stroke and allows me to practise breathing on both sides.

Water safety: know that a group of people can huddle together to conserve body heat, support each other and provide a larger target for rescuers.

Rules: understand rules in and around water.

Strokes: develop technique for specific strokes to include head above water breaststroke, backstroke and front crawl.

Breathing: demonstrate improved breathing technique in front crawl.

Water safety: are comfortable with some personal survival techniques to include survival strokes such as sculling and treading water.

Year
4

Strokes: understand that keeping my legs together for crawl helps me to stay straight in the water.

Breathing: know that breathing out with a slow consistent breath enables me to swim for longer before needing another breath.

Water safety: know what to do if I fall in the water.

Rules: understand the water safety rules.

Strokes: explore technique for specific strokes to include head above water breaststroke, backstroke and front crawl.

Breathing: begin to explore front crawl breathing technique.

Water safety: explore techniques for personal survival to include survival strokes such as sculling and treading water.

Year
3

Strokes: know that lifting my hips will help me to stay afloat whilst swimming.

Breathing: know that turning my head to the side to breathe will allow me to swim with good technique.

Water safety: know that treading water enables me to keep upright and in the same space.

Rules: know that the water should be clear of swimmers before entering.

Strokes: begin to use arms and legs together, more effectively across the water unaided.

Breathing: begin to explore breathing in sync with my kicking action.

Water safety: demonstrate an awareness of water safety and float on my front and on my back.

Year
2

Strokes: understand that moving my arms quickly will help me to pass through the water.

Breathing: know that when I swim, I inhale through my mouth when my face is above water and exhale through my mouth or nose when my face is underwater.

Water safety: understand that floating uses less energy than swimming.

Rules: know how to safely enter and exit the pool.

Strokes: can swim over a 10m distance with a buoyancy aid.

Breathing: can submerge confidently in the water.

Water safety: become aware of water safety and explore floating on my front and back.

Year
1

Strokes: understand that using cupped hands will help me to swim as the water cannot escape between my fingers.

Breathing: know that I need to take a big breath before submerging.

Water safety: understand that floating can help me to stay safe.

Rules: know that walking on poolside helps to keep me safe.
