

# Design and Technology Curriculum: Tier Three Vocabulary Progression

EYFS

stick, glue, tape, , hole punch, string, sequins, glitter, gems, paper, tissue paper, sugar paper, cardboard, card, envelope

Join, fix, pinch, fasten soft, hard, thick, thin

Attach, loop, Materials, texture,

KS1  
Year A

Wheels and axles  
Axle, mechanism, procedure, wheel

Food Technology  
Cutting, hygiene, portion, prepare

Textiles  
Needle, running stitch, template, thread.

KS1  
Year B

Structures  
Design, materials, structure, success criteria

Sliders and leavers  
Levers, pivot, sliders

Food technology.  
Farmed, grate, healthy, peel

LKS2  
Year A

Food Technology  
Cooking utensil, energy, hygiene, recipe

Textiles  
Over stitch, running stitch, seam, stitch

Structures  
CAD, Net, shell structure, three dimensional

LKS2  
Year B

Food technology  
Baking, kneading, reared, savoury

Mechanical systems  
Lever, simple machine, load, rods, spools

Electrical systems  
Circuit, energy source, wires, light bulb, switch, sustainable power, solar power, wind power, tidal power.

UKS2  
Year A

Food technology  
Energy, ingredients, nutrients, seasonality

Mechanisms  
Force, gear, pulley, rotation

Textiles  
Fasteners, back stitch, pattern, seam.

UKS2  
Year B

Electronics  
Control, fault, insulator, circuit

The Tudors  
Boiling, energy, grilling, nutrients

Structures  
Beam, bridge, specification, support
