

Welcome to...

THE

THURSFIELD

DEN

Wrap Around Care Provision
Thursfield Primary School

Dear Parents/Carers,

Welcome to The Thursfield Den - the wraparound care provision here at Thursfield Primary School.

We are delighted to welcome your child to The Thursfield Den, where they will find a safe, welcoming and engaging environment to begin and end their school day with a smile.

At The Thursfield Den, we strive to create a calm, caring and enjoyable atmosphere where children can relax, play and thrive. From imaginative crafts and creative activities to group games, outdoor play and homework support, we offer a wide range of experiences to suit every child's interests.

In the mornings, The Thursfield Den provides children with a relaxed start to their day, offering a healthy breakfast and time for free play, socialising and preparing for the school day ahead.

After school, children will enjoy a healthy snack before taking part in a variety of structured activities and free-choice play, giving them the opportunity to unwind, explore new interests and spend time with friends. Please find a summary of our planned activities for this year attached.

We believe that strong communication between home and The Thursfield Den is essential, and we welcome any questions, suggestions or conversations. Please don't hesitate to speak to a member of our team if you need any information or support.

We are looking forward to welcoming your family and creating lots of happy memories together at The Thursfield Den throughout the year.

Kind regards,

The Thursfield Den Team
